*"...from darkness to light.."*

*Sunday 15th to Saturday 21st November 2015*

## Sunday 15th

Please pray for prisoners that come to our services today, that their lives would be changed by the Gospel. Pray for our staff and volunteers who run these services.

## Monday 16th

Pray for the ex-offenders that Daylight seeks to support and particularly for our mentoring programme in Bristol. Give thanks for the many volunteers who help us in prisons, mentoring and by supporting our office.

## Tuesday 17th

Please pray for prison governors, officers, chaplaincy, for all those who work in prisons and for Daylight people who have roles in prison chaplaincies.

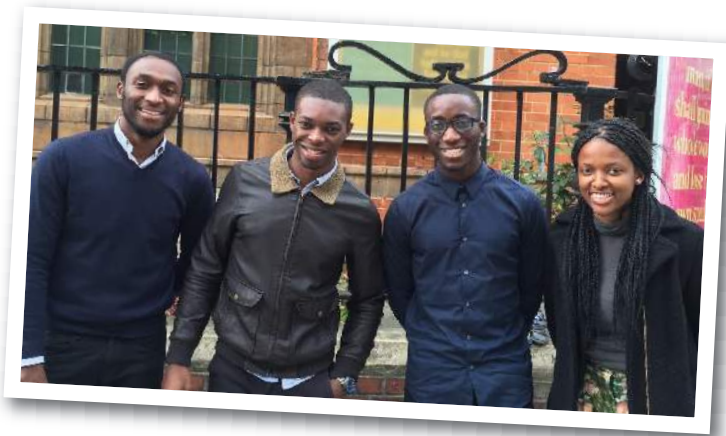

*Wednesday 18th*

Pray for all of our Prayer & Support Groups (PSGs) across the UK as they meet to pray for the work. Some members run prison services and Bible studies. Pray for more people to join our PSGs and for opportunities to set up new ones in other parts of the country.
