

Saturday 15th

Please pray for our mentoring work. Ex-offenders face many problems finding accommodation and work and they often have difficulties within their families too. Just knowing that someone cares enough to take the time to meet with them and to help them can make a big difference.

Pray for the Daylight staff and volunteers that are mentors and for the ex-offenders we help that they would trust the Lord to guide them in their futures.

Thank you for praying for Daylight this Prisons Week.

Sunday 9th

Please pray for our staff and volunteers who run services in prisons throughout the year. Pray particularly for our services in prisons today and for the prisoners who will hear the Gospel through these that their hearts would be touched by the message they hear.

At our services prisoners are given Bible text postcards and Daily Reading Booklets. Some Daylight people are also Gideons and give away copies of God's Word. Please pray that prisoners would read the literature they are given.

Monday 10th

Please pray for each of Daylight's staff today. We meet via Skype each Monday afternoon to share news about the work and pray together.

Give thanks for the many volunteers who support our staff in their work by visiting prisons with us, mentoring ex-offenders, writing to prisoners and helping our office.

Tuesday 11th

Please pray for our regular mid-week Bible studies. These are usually a series in a particular book of the Bible with opportunities for prisoners to ask questions and discuss the book they are studying.

Pray too for the courses we run in prisons, particularly Christianity Explored Prison Edition, Discipleship Explored Prison Edition and Science & Faith.

Wednesday 12th

Today, please pray for all the prisoners who receive letters through our Letter Writing Ministry and for the volunteers who write to them. Many prisoners do not receive much contact from their family or friends and they enjoy having a friend to write to. One prisoner wrote to us, "You guys do a great work and I thank you for it - I know how much of a support your service is to me and everyone who uses it."

Thursday 13th

Some of Daylight's staff and volunteers have roles in prison chaplaincies. Please pray for them in these roles as they visit prisoners on the wings and support the work of Managing Chaplains. Pray too for governors, officers, chaplaincy and all who work in prisons as they can sometimes be a very challenging environment.

"Daylight for me has been truly that - daylight in the darkness of prison."

Friday 14th

Give thanks for all our Prayer & Support Groups who meet regularly to pray for Daylight. Some of these groups also run prison services and Bible studies. Please pray that we would be able to set up new Prayer & Support Groups and that these groups would be given opportunities to work in their local prisons.
