**Pray for Daylight this Prisons Week**  
Sunday 14th to Saturday 20th October 2018

## **Sunday 14th**

Give thanks for the opportunities we have to run services in a number of prisons each Sunday. Through these we are able to encourage and support prisoners who are Christians and are also able to give a clear message to those who are unbelievers, many of whom have never heard the Gospel before. We praise God that these are well attended and that prisoners are keen to listen to the messages.

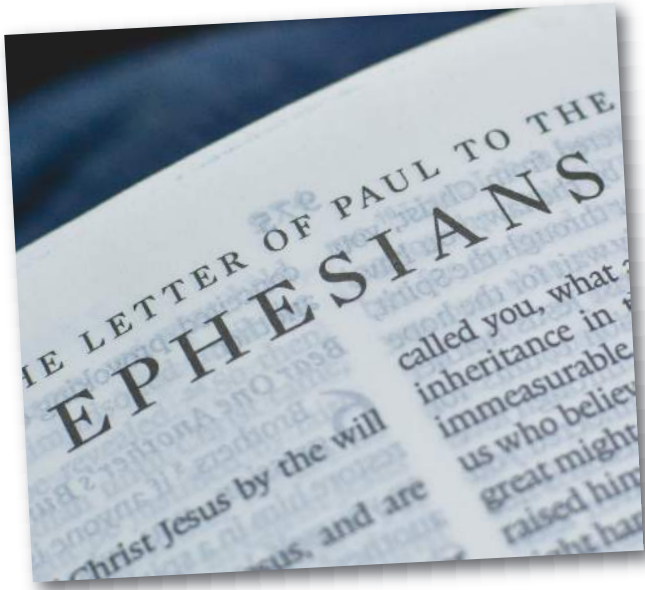

Please pray for our staff and volunteers who are involved in running these and for the prisoners that come, that the Lord would speak to them through His Word.

## **Monday 15th**

Today, please pray for prisoners who are given Bibles, daily reading notes and text cards at our services and other activities.

Pray that these would be read regularly and used in the hearts and lives of many prisoners.

Tuesday 16th

Each week we run Bible studies with groups of prisoners, going through one of the books of the Bible.

One of these groups were recently studying Ephesians and enjoyed learning about God's sovereignty, power and grace.

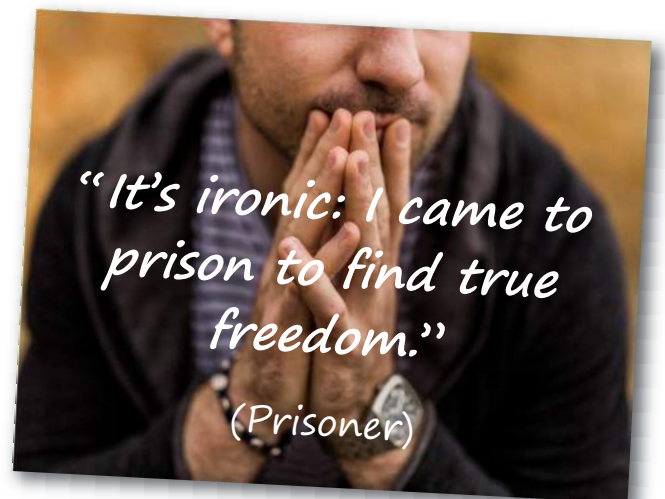

Please pray for the prisoners that come to these Bible studies and for our Christianity Explored, Discipleship Explored and Life Explored courses which run throughout the year.

Wednesday 17th

A number of Daylight people have roles in prison chaplaincies, carrying out statutory duties.

Please pray for them as they work on the wings, that they would be given wisdom as they have one to one conversations with many prisoners.

Pray too for officers, chaplaincy, governors and the many others working in prisons as they can sometimes be a very challenging environment and staff are under a lot of pressure.

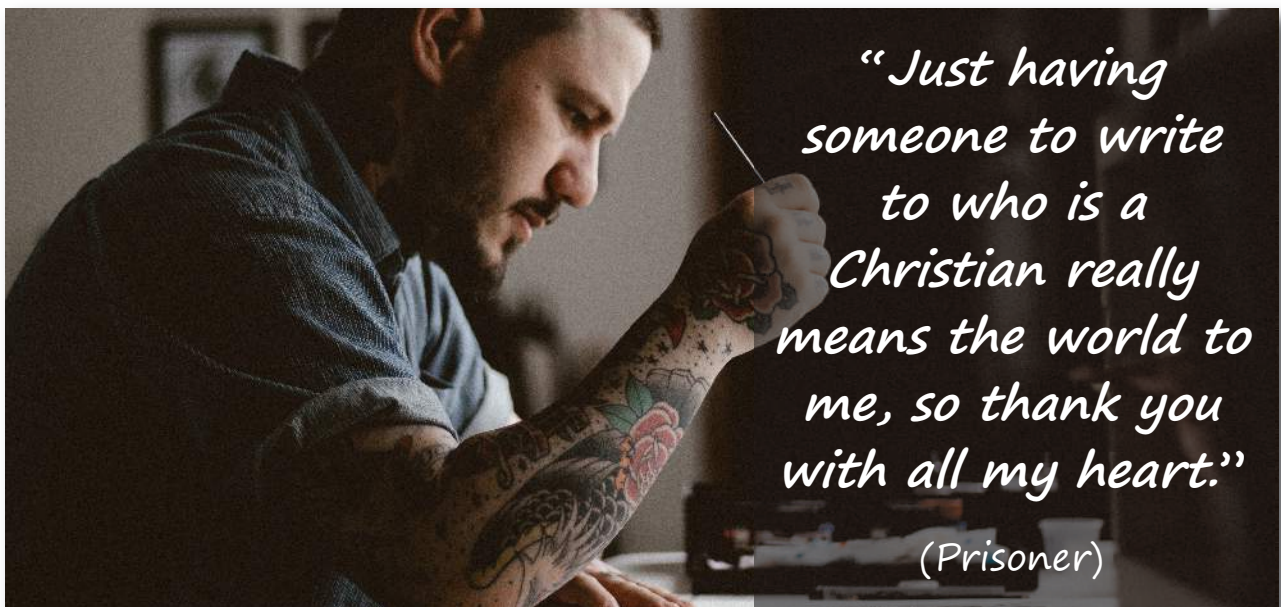

## Thursday 18th

Please pray for the prisoners using our Letter Writing Ministry and for the volunteers who write to them.

Many prisoners do not have anyone else keeping in touch with them and having a friend to write to really means a lot to them.

Please pray that this will continue to be a support to the prisoners using it and that our volunteers will be helped as they write.

## Friday 19th

Today, please pray for prisoners who are due to be released soon as they face anxieties about where they will go and what life will be like after release.

Pray too for Daylight staff and volunteers and local churches who seek to help, support and disciple ex-offenders.

*Saturday 20th*

*Give thanks for all our Prayer & Support Groups who meet regularly to pray for Daylight and for the opportunities a number of these groups have to work in their local prisons.*

*Please pray for people to join the existing groups and that more groups will be able to be started in new areas.*

*Give thanks too for all the volunteers that support our work by coming into prison, writing to prisoners and helping ex-offenders.*

*Please pray for them, for our trustees and for our staff in their various roles.*

**Thank you for praying for Daylight this  
Prisons Week.**
